- Transfers for the credit of VÚB, a.s. Prague customers in all currencies without fee. SEPA-Eurotransfers to the recipient's bank, which is our VÚB, a. s. Prague Branch, are executed and processed under a separate system.
- This means the item for received transfer as a fee for the breakdown of payments per selected accounts on the basis of individually agreed contracts.
  - o The fee for transfers with a value of up to EUR 30.00 is always charged to the transferor, even if the instruction is "costs paid by beneficiary - BEN"
  - o The fee for transfers in all currencies to EU/EEA countries will be changed from OUR and BEN to SHA - VÚB, a.s. will charge the fee to the account of the payer.
  - o Upon the effectuation of payment order with instruction OUR - "without beneficiary debit", a fee of foreign and/or domestic bank is charged together with the order or additionally
  - o When performing Non-SEPA transfers, urgent European transfers, and urgent non-SEPA transfers, a foreign and/or Slovak bank can charge additional fees to the payer irrespective of the BEN, SHA, or OUR instruction if incomplete and/or incorrect information about the beneficiary is provided, causing the transfer to fail automated processing. The amount of fees depends on the specific conditions of the relevant bank and will be charged from the account of the payer.
  - o If the customer asks for confirmation, correction, returning, and/or investigation of a SEPA transfer or a non-SEPA transfer, foreign and/or Slovak banks may charge fees for processing the request. The amount of fees depends on the specific conditions of the relevant bank and will be charged from the account of the payer
