- The service is provided on the selected EFT POS terminal in commercial establishment marked with VUB POINT or AXAPAY.
- Request for transfer return is also deemed a cancellation of a payment order after execution.
- In addition to the fee of VUB, a.s. fees of other banks related to request handling may be charged while the client and foreign bank requests confirmation, correction, cancellation, return, data change in the executed transfer or investigation of SEPA or Non SEPA transfer in another bank. The amount of fees depend on particular conditions of the respective bank and will be charged from the account of debtor. If the investigation of the transfer finds out an error on the part of VUB, a. s., the charged fee shall be returned to the Client.
- In case of over-limit payment transfer with determined individual exchange rate a penalty fee is charged and it represents actual costs related to cancellation of over-limit transfer payment. When cancelling payment transfer to a foreign country after execution, in addition, a fee of a foreign bank is charged.
- At the request to cancel the transfer by check will be charged to the account of the principal foreign bank charges for stop payment of a check.
